# REFIS HOTEL

## THE NEW HOTEL IN THE WÜRMTAL.

**Who are we?** We are an individually managed lifestyle hotel with a wow factor. Our name REFIS is derived from our location in GRÄFELFING. Lovingly abbreviated, REFIS is a nickname that historically refers to a Bavarian clan settlement - the "Grefolvingas".

**Why are we here?** There has long been a desire in the surrounding area for additional accommodation and conference facilities. We can offer that, and it gets even better!

The new "insider tip" in the area will be our restaurant THE CLUB with bar and lounge. And we can do it even better and put one on top: A luxurious Spa with rooftop terrace and heated pool.

## HERE TO STAY

The GREFIS Hotel is located southwest of Munich, in the beautiful municipality of Gräfelfing. Not far from the picturesque Würmtal, you can reach the center of Munich as well as the numerous excursion options in the Munich area as well as the five lakes region and of course the Alps in less time.

Gräfelfing is therefore the ideal starting point for all kinds of activities - both business and private. Our hotel is well connected to public transport. The bus stop with connections to the U-Bahn and S-Bahn is right in front of our hotel. Due to the location in the M-Zone of the MVV, you only pay the low tariff for the Munich interior. The proximity to the A96 motorway with connection to the A99 and the Mittlerer Ring brings you to us comfortably by car and quickly to your business appointments.

The Martinsried research campus, the Großhadern campus, downtown Munich and even the DLR Oberpfaffenhofen can be reached in a few minutes by car from the GREFIS.
